SUPPLEMENT TO
 REPORT NO.

25X1X

The quota for coal shipments on inland vessels in the Soviet Zone of Germany was set at 215,951 tons for May 1952. *

25X1A

- * [REDACTED] Comment. For tabulation of coal shipments for May 1952, see Annex. Compared with shipments of April 1952, there is a reduction of about 19,000 tons. Information by the same source indicated that shipments of service coal for the Soviet Zone Reichsbahn was discontinued in March 1952.
